

**Golden Standard Enterprises** *presents*

# *Dare to Dream*

The creation of this new program began with one simple thought; ***“What can I do today to make our Employees’ and Contractors’ experience better?”*** As Golden Standard continues to grow, due to the efforts of our hard-working staff, our focus remains on the ***People*** of this company. This new program will provide ways to create opportunities for **YOU** to realize your dream! Here’s how the program will work.

- ☞ The Owner will work with a committee that has been established outside of Golden Standard and will remain anonymous
- ☞ The committee will engage and partner with other businesses to help make **Dreams a Reality**
- ☞ All Employees’ and Contractors’ of Golden Standard may submit their Dream via a confidential email that only members of the outside committee will review:

**[DareToDream@gsecleaning.com](mailto:DareToDream@gsecleaning.com)**

- ☞ Everyone’s Dream submission remains **100% confidential**. The only communication to the company will be ***“A Dream has been Granted”***.
- ☞ To have your dream granted:
  - ◇ Staff members must be in good standing with the company
  - ◇ Each individual may only submit one dream at a time; but you have the ability to change your dream as you desire.
  - ◇ There will be no restrictions . . . all Dreams will be accepted
  - ◇ All ‘ungranted’ Dreams remain in the que until they become a Reality
  - ◇ And remember, all submissions remain **100% confidential**
- ☞ Golden Standard Leadership Team members may be involved in delivering granted Dreams

***Are you ready? What is your Dream? Send your email! This program starts NOW!***
